TRIVIA NIGHT

We are running our Annual Trivia Night again this year on Saturday 16th of June, 7:00 pm, at the Senior Club rooms. We are hoping that all teams will organize a table of between six and ten members to join in the fun and games. Please support the club and let your Team Manager know if you want to make up a table. If you have friends that you would like to bring why not make up your own table! Tickets are \$15.00, the same price as last year. It includes fun, frivolity, door prizes, games and light refreshments. You can either hand your payment to your Team Manager or one of the committee members and we will place your name on your team's table. Early bird

prizes will be offered to tickets purchased before 1st of June 2007. Tickets MUST be purchased before the night so tables can be allocated. Our Trivia nights are always a fun way to spend a Saturday night. As this is at the Senior Club rooms there is no BYO but drinks are available for purchase at bar prices, bring nibbles but we are providing light supper. Bring your loose change.

Given that this is being held at the Senior Club rooms and alcohol is being served, this is probably not a suitable venue for younger children. While we encourage children under 15 not to attend we realize that

in some instance this isn't always possible but we feel it is important that parents realize this is an adult oriented night and that younger children will need to be strictly supervised by parents at all times. We will definitely arrange a function later on in the year that is family oriented so keep an eye out for that. We are quite happy for the older teams to arrange their own tables and suggest teams from under 15s and up as the games and questions are for adults and children under this age will find it too hard to play. For further information please ring Teresa Anthony on 0403189159 or Julie Cunningham on 97334612.

Donations for TRIVIA NIGHT

Do you have a present you never use or a bottle of wine you'll never drink that is sitting somewhere collecting dust? Donations of anything including chocolates, pamper products, alcohol and services such as carpet cleaning vouchers etc. will be gladly accepted. Please leave your donations

with any committee members (photos in the clubroom) or hand them in at the canteen. We would love to be organized by 5th of June so if you could arrange for all donations to be handed in by then it would be greatly appreciated.

VOUCHER BOOKS

Our club is selling voucher books this year. Price is \$60.00 with \$12.00 from each book sold being a profit for the Club. If you want to have a look at last year's voucher book to see what sort of vouchers you will get, this is available to look at in the club rooms. Orders or the books are due at the end of May.

For sale

eGO Emergency Mobile Battery & Adaptor

The new eGO emergency mobile phone battery is a pre-charged self-contained battery designed to extend your mobile standby time and talk time when mains charging is not available.

PRICES:

BATTERY PACK \$12.00
ADAPTOR PACK \$ 13.00

More information is available at the Club room.

CANTEEN

We have had a great response to opening up the canteen on our Tuesday and Thursday training nights and would love to continue to do so. As our committee members are often involved in many different areas, it is not always possible for them to man the canteen at all times. Any Parent that can help

out for half an hour to an hour during training sessions, please let us know. If you can't commit on a permanent basis then please feel free to just turn up at the canteen and offer assistance. We will be in the canteen for the next few weeks on both Tuesday and Thursday

night to run through how to work the till, cook the chips etc. If you are unsure of how to do any of this please take advantage of this time to ask any questions before the season starts and you find yourself on canteen duty.

Players' shelter

Money had been raised from last years fund raising to build players' shelters. If there are any trades people with in the club or if you can recommend anyone who are willing to give MJSC a quote to build 4 shelters for the players, please let the committee know.
