REMINDER TO ALL PARENTS

It is advisable for all parents to stay with their children during training, however, if this is not possible please ENSURE that parents are there on time to pick up their children when the training session is over. If someone else is picking up your children please let the coach or the team manager know who is picking them up.

For safety reasons it is also important that you come and pick up your children from the grounds rather than letting them walk out on their own to your respective cars.
